LET'S PLAY FAIRFAX NATURALS SUPER SQUARES!

The Fairfax Naturals Baseball Club is committed to the very best in youth baseball. We field three teams at the 13 year-old, 14 year-old and Junior Varsity levels. Our teams consist of players from all over Northern Virginia who love the game of baseball, and who are passionate about learning the physical fundamentals and finer theory and technicalities of the game. More than being good ball players, our players understand the importance of commitment, proper behavior, respect, playing with heart, and the value of putting the team first. Our players are expected to maintain good grades and perform community service. Your generous donation will help offset a portion of the tournament fees and relieve some of the burden from the players in the funding of this baseball experience.
